The all-new 1984 Ford Tempo

Style and technology in total harmony.

Form follows function.

In its creation of Tempo, Ford set out to design a car that would prove that a spacious interior, comfort and performance could be compatible with fuel efficiency. Ford engineers began with a sound design principle: Form follows function. First came completely new functional ideas. And then Tempo's pleasing form followed—naturally.

An acknowledged world leader in aerodynamic design, Ford used this expertise in creating Tempo. And it has a profound effect on the overall performance of the car. For example, aerodynamics helps Tempo hug the road because airflow is directed to reduce lift for improved stability and directional control.

Tempo is equipped with the world's most advanced automotive computer: the EEC-IV (Electronic Engine Control). It monitors and controls seven vital functions of Tempo's new 2300 HSC engine for optimum power response and fuel efficiency.

Fuel economy rates high on Tempo's list of pluses. The standard E.S. (Fuel Saver) powertrain with 4-speed manual transaxle is rated at 43 estimated hwy. and 28 EPA estimated mpg.*

TEMPO FEATURES

Front-wheel drive: All-weather traction, precise handling.

Four-wheel independent suspension: Responsive handling and a smooth ride.

EEC-IV computer: Instantly monitors and controls seven vital engine functions for optimum power/output and fuel efficiency.

2300 HSC engine: New High Swirl Combustion engine designed for quick power response.

Transaxle: Available with manual 4-speed, 5-speed or automatic transaxle.

Computer refined interior: Seats five passengers. More rear passenger room than a Mercedes 300D.

Quality is Job 1: Body fit tolerances that can be compared with European Sports Sedans.

Pick up the Tempo of your life.

To obtain a brochure with more information on Ford's all-new sedan, see your Ford Dealer or call 1-800-772-2100.

*For comparison and applicable only to sedans without A/C. Your mileage may differ depending on speed, distance and weather. Actual highway mileage and California ratings will probably be lower.

Get it together—Buckle up.

Have you driven a Ford... lately?

Introducing the Aero.™ It's as smart as it looks.

Introducing the Honda Aero.™ An aerodynamic blend of form and function that's turning heads wherever it goes.

It's a way of arriving that says you've arrived. It's fashionable without being a fad. Fun without being frivolous.

And talk about easy to ride. If you can steer, you're on your way. Both the Aero™ 50 and Aero™ 80* are completely automatic so there's no shifting—and they start with the push of a button.

The Aero is reliable because it's a Honda. Engineered by the people famous for two-wheel innovation.

It's one scooter that really scoots, too. With the Aero 80, you can even carry a friend on the back.† And thanks to its splashguards, you'll both look as good as your Aero when you arrive.

To find out the name of your local Honda Aero dealer, just call 800-447-4700. It just could be the smartest call you've ever made.

The Honda Aero

For the first time a music system and the listening environment have been designed together.

Second in a series on how Delco Electronics and Bose technology contribute to your enjoyment of driving.

The performance of even the best home music systems is limited by the acoustics of the environment, the placement of the speakers and the location of the listeners. These important factors are beyond the control of the designer.

Three years ago Delco Electronics, General Motors Car Divisions and Bose Corporation began research to design a music system with, and for, its environment. The acoustics of the car were measured, the speakers precisely placed, and the known locations of the listeners were considered in the design. The result is a music system designed differently for each automobile body, but with one element in common—the performance!

And how much difference does this new design concept make? We let hundreds of people listen to the Delco-GM/Bose Music System during its development. From musicians to people who had not believed that music was important in their lives, the reaction was the same.

But if we say more we might bias the experience you will have when you visit your GM dealer. Just try not to get excited!*

Delco GM BOSE

Sound so real, it will change how you feel about driving.

VA EDUCATIONAL BENEFITS

IT IS THE STUDENT'S RESPONSIBILITY TO BE AWARE OF AND FULFILL ALL REQUIREMENTS FOR RECEIPT OF G.I. BILL BENEFITS.

Any student using VA Educational Assistance (G.I. Bill Benefits) at Memphis State University should contact the Office of Veteran's Services (Room 212, Scates Hall, 454-2996). New students should be prepared to furnish the following items as needed: an original or VA certified copy of their DD 214, or other armed forces separation papers, a copy of their Delayed Enlistment Contract, copies of their children's birth certificates, a copy of a divorce decree if either vet or spouse was previously married, their VA file number if benefits have been used previously, and a transcript from any college or university previously attended.

The VA places restrictions on those receiving veterans educational benefits. Some of these restrictions include: regular class attendence, satisfactory academic progress, and adherence to a specific degree program. The VA will not pay for repeated courses if the grade already earned is acceptable for graduation requirements and major objectives at this University (This includes transfer credit.), or for elective courses in excess of those needed to meet graduation requirements.

Certification Reminders:

(1) Register with the Office of Veterans Services every semester by completing a Veteran Data Sheet and Certification Request.
(2) Report credit allowed for prior training in cooperation with your adviser by completing a "Request for Reevaluation of Prior Credit" form. These forms are available from the Office of Veterans Services.
(3) Inform the Office of Veterans Services of any changes in major or degree pursued, address, marital status, or number of dependents claimed.
(4) After registering report to the Office of Veterans Services immediately all changes in class schedules including adds, drops, section changes, cancelled courses, and withdrawals.
(5) Obtain a degree posting sheet/formal degree plan from your adviser, and furnish a copy to the Office of Veterans Services, as well as keeping a copy for your personal files.

For more information on eligibility requirements, monthly pay rates, and other services available, contact the Office of Veterans Services.

ADMISSIONS PROCEDURES

New students planning to enroll for any credit course or on an audit basis must be formally admitted to the University. Admission to the University must be fully cleared before any registration is authorized. Any student who meets admission or readmission requirements after August 1, cannot be assured of registration before the first day of classes. Any non-Tennessean who resides more than 150 miles from the University must file an application for admission or readmission prior to that date. Anyone failing to do so cannot be assured of being considered for admission.

New Applicants

Applications for admission, detailed instructions concerning admission procedures, and regulations for all student levels may be obtained in the Admissions Office, Room 215, Administration Building. After 4:30 p.m. and on Saturday mornings, these may be obtained in Room 167, Administration Building, 454-2398.

Former Students

A former student is defined as a student who (1) has previously been enrolled at Memphis State but (2) was not enrolled during the previous semester. Undergraduate or graduate former students desiring to be readmitted may obtain an application for readmission from Room 167, Administration Building. Former undergraduate students entering Graduate School are not "former students" for readmission purposes. They are new graduate students who must be properly admitted to graduate school as new students.

Graduate students who have not attended Memphis State in the past 5 years or longer must apply for readmission at least 3 days prior to Graduate Registration in order to complete registration on time.

Transferring Credit to MSU

In order for completed additional course work to be transferred from another university and recorded on the student's permanent record, the student must request that an evaluation of the additional course work be completed by the Transfer Affairs section of the Admissions Office. After the student has been admitted as a regular undergraduate, whether he is a beginning freshman or a transfer student, it is recommended that he consult with his adviser or the Transfer Affairs section of the Admissions Office if he anticipates enrolling at another college or university for the purpose of transferring credit to Memphis State University.

Residency Classification

All determinations concerning classification of in-state and out-of-state students for fee-paying and other purposes are made in the Office of Admissions. The determinations are based on the regulations and guidelines of the State Board of Regents. Copies of the guidelines and regulations used in the classification of students for fee-paying purposes are available in the office of the Admissions Adviser for Residency.

Persons 60 Years of Age and Totally Disabled Persons

Persons suffering from a permanent disability which totally incapacitates such person from working at an occupation which brings him an income, and persons who will become sixty (60) years of age or older during the academic semester in which such persons begin classes, and who are domiciled in Tennessee, may AUDIT courses at Memphis State without paying tuition charges, maintenance fees, student activity fees, or registration fees. Admission to AUDIT will be limited on an individual classroom basis according to space availability.

Any person who is totally disabled, and persons who will become sixty-five (65) years of age or older during the academic semester in which such persons begin classes, and who are domiciled in Tennessee, may enroll for courses for credit at the cost of $17.50 per undergraduate semester hour, or $24 per graduate semester hour, not to exceed $75 per semester. The University Health Services shall examine certification of permanent

disability (not the applicant) and determine the eligibility of the applicant under this legislation.

Inquiries concerning these programs may be addressed to the Records Office, Room 115, Administration Building, 454-2671.

REGISTRATION PROCEDURES

(1) CONSULTING WITH ACADEMIC ADVISER

Current Students
Current Memphis State University students are encouraged to see their academic advisers well in advance of registration, preferably during the preceding term when ample time can be given for general academic advising including assistance in selection of courses for the ensuing term. This is not always possible for new and returning students and for some current students. However, all students are required to have a class schedule with an adviser's signature prior to entering the registration center.

To find where an adviser will be located for assistance in class scheduling, go to the Packet Center located in the Old Cafeteria of Jones Hall, when it is open, and in the Late Registration Center, during the late registration period. Please consult the registration calendar for dates and times these Centers will be open.

During late registration academic advising occurs in the academic department, where faculty advisers are generally available except when they are teaching. Assistance in locating an adviser can be obtained in the Department Offices or in the Late Registration Center.

Handicapped Students
Preferential scheduling is offered to some disabled students to allow them reasonable opportunity to plan around disability-related needs. Students eligible for this service include those with mobility impairments, visual or hearing impairments, dyslexia and others who must accommodate medical or educational needs arising from a disability. Attendants for handicapped students are also eligible.

Preferential scheduling is begun prior to regular registration. Students using this procedure should see their adviser, fully complete the "Student Schedule" form and take it to the Handicapped Student Service Office well in advance of the beginning of registration. The desired class cards will be pulled before registration opens and will be held on reserve in the Records Referral Center at registration.

Handicapped students may go through registration at any convenient time after the appointment time assigned in the registration packet. After being cleared to register, they should proceed directly to the Records Referral Center and pick up their envelope of reserved cards. From there they must proceed through the regular line to complete registration.

If a student for whom cards are pulled in advance should for any reason decide not to complete registration, notification must be given to the Handicapped Student Service Office so that the reserved cards may be returned to the departments for use by others.

All reserved cards that are not picked up during regular registration will be transferred to the Referral Desk at late registration. Handicapped students may ask for a waiver of late fee on the basis of handicap if their cards were reserved in advance. However, students who can go through regular registration are encouraged to do so rather than going through late registration.

For further information and specific details, please contact the Director of Handicapped Student Services, Room 215, Scates Hall, 454-2880.

New and Readmitted Students (Undergraduate)
All new freshmen students and transfer students without an academic major will be assigned to the Academic Counseling Unit, located in Scates Hall, and should go to the unit immediately after admission to the University to request the assignment of an adviser. Students who have not seen an adviser will be assigned one.

Students who have been readmitted and have selected a major should contact the department of their major for the assignment of an adviser. Readmitted students without a declared major should go to the Academic Counseling Unit. This should be done in advance of the first day of registration.

Evening (Undergraduate)
New and Readmitted Undergraduate students **enrolling in evening and/or Saturday courses only** may obtain the required registration and advising information in the Evening Academic Services Office, Room 167, Administration Building.

Unclassified, Special Undergraduate, and Audit Students
Undergraduate students who are unclassified, special undergraduate, or audit go to the Academic Counseling Unit, Scates Hall. Evening students in these categories go to the Evening Academic Services Office, Room 167, Administration Building for advising assistance.

New and Readmitted Students (Graduate) — Day & Evening
New graduate students are directed to an adviser following their admission. Students classified as Graduate Special or Graduate Provisional should go to the Graduate School Office, Room 315, Administration Building for an adviser.

Readmitted graduate students having a major should contact the department of their major for the assignment of an adviser. Readmitted graduate students not having a major should contact the Graduate School Office for an adviser.

(2) OBTAINING REGISTRATION MATERIALS

The registration packet consists of four basic materials: (1) "Student Information Form," (2) "Registration Appointment Card," (3) "Registration Receipt," and (4) a permanent ID card.

Current Students
Registration materials are mailed to the permanent address of all regular students currently enrolled, with the exception of those students suspended for academic reasons, those who are on academic probation, and those who have holds placed on their packets by a University office. When a hold is released, the student is given a release card which tells where and when to secure his packet.

New and Readmitted Students
New and readmitted students who have cleared all admission requirements at the time registration materials are prepared, receive their materials by mail. Students not clearing in time to receive their materials by mail are given a chance to obtain materials before the actual day of registration and receive instructions on how to accomplish this.

(3) SECURING CLASS CARDS

Students having their "Student Schedule," permanent ID card, and registration materials, are prepared to enter the Registration Center to obtain class cards and to pay fees.

Registration appointment times — Enter the Registration Center on the date and time printed in the upper right hand corner of the "Registration Appointment Card." Registration priority is based on cumulative hours earned. The student may enter at any later day time after his day appointment time or at any later night time after his night appointment time.

REGISTRATION PRIORITY

Since all students cannot register at the same time, it is necessary to establish priorities in the assignment of registration times. Registration priority and the registration appointment times appearing on registration materials are based on the number of cumulative hours earned.

Registration materials must be prepared before the end of the term that immediately precedes registration. **Appointment times do not reflect hours earned during the current term.** For example, registration times for the spring semester are not affected by hours earned during the fall semester.

Registration priority and associated registration appointment times cannot be based on the need to work because such a large number of students do work. No practical or equitable way exists to administer a priority system on the criterion of a student having to work.

Unclassified students will be awarded registration appointment times on the basis of hours earned at Memphis State University only.

Seniors not holding an undergraduate degree who are taking degree credit courses have priority over special undergraduate students (those who hold degrees) when enrolling for undergraduate credit courses.

Special Courses

Credit/No-Credit Courses — Certain students, with permission from the dean of their college, may elect to take some courses on a credit-no-credit basis. Details are found in the undergraduate *Bulletin*.

Procedures for registering are as follows: (1) Obtain permit form from academic adviser, complete information on the form, and secure adviser's signature; (2) Get permission of the dean of their college; (3) Go to the office of the chairman of the department in which the course is taught and secure his approval; (4) Obtain "Class Card Request" form; (5) Take completed permit form and "Class Card Request" to the Registration Center at the appointed registration time.

Audit Courses — The student must: (1) Obtain academic adviser's approval; (2) Go to the department in which course is taught and pick up "Class Card Request" form; (3) Take the "Class Card Request" to the Registration Center at the appointed registration time. Fees for audit courses are the same as for credit courses. Further details on audit courses are found in the undergraduate *Bulletin*.

Late Registration

Students registering during the day at the Late Registration Center must go to departments to obtain class cards. Cards are at the Center during evening late registration hours.

. ID CARD

ALL STUDENTS MUST OBTAIN A PERMANENT MEMPHIS STATE UNIVERSITY ID CARD BEFORE THEY WILL BE ALLOWED TO REGISTER. THIS INCLUDES PART-TIME STUDENTS, EVENING STUDENTS, UNCLASSIFIED STUDENTS, ETC.

The University issues to each student an identification card which bears his photograph, social security number, and certification that he is enrolled as a student in the University. The card is required for registration, the borrowing of library books, and other purposes. The card remains the property of the University and will be surrendered upon the request of a University official.

A current student who has lost his or her card may obtain a replacement from the Dean of Students Office, Room 204 Scates Hall. A student will be charged $10.00 to replace a card that has been damaged, stolen, or lost. A charge of $2.00 will be made to make any change in data on a card. Students unable to obtain an ID card at an off-campus or special registration must go to the Records Office to have one made.

Part-time students who are enrolled for at least six semester hours of credit courses will be given full-time ID card validation. ID card validation of full-time is for student activity purposes and does not necessarily constitute a full-time academic load.

For information concerning the number of hours required for a full-time academic load, consult the Memphis State University Bulletin.

A credit hour load equal to one-half of that for the minimum full-time credit hour load qualifies as half-time academic load.

(4) PAYING FEES

Students should not enter the Registration Center unless they are prepared to pay fees. Registration is not completed until fees are paid. Students receiving VA assistance are expected to pay fees in full. Students holding scholarships, student aid, or billing authorizations for this term should stop at the "Scholarship" or "Authorized Billing" stations in the Fee Payment Center. Students will not have their names placed on the class rolls until after all fees are paid.

Students may not register until all outstanding financial obligations have been cleared.

Returned Checks

It is expected that a check given the University, for any reason, will clear the bank on which it is drawn. A $10.00 service charge will be assessed for each returned check whether given in payment of any fee or cashed by the University for the convenience of the student. Check cashing privileges will be revoked for any student who has had checks returned by his bank more than once within a twelve-month period.

FEES AND DEPOSITS

Application Fee

Each student submitting an application for admission to the University must pay, at the time he submits his first application, a one-time non-refundable fee of $5.00.

Maintenance Fee

All students, whether resident or non-resident, pay a maintenance fee. Maintenance fees are based upon course level. Students paying the fee for six or more hours are entitled to admission to home athletic events and certain health services, concerts, plays, social and other student-sponsored activities, and a subscription to the student newspaper, *The Helmsman*.

Summary of Course Fees

	In State	
	Per Hour	Maximum
Undergraduate	$35	$416
Graduate	48	506
Law (degree)	48	517
Law (non-degree)	62	

	Out-of-State*	
	Per Hour	Maximum
Undergraduate	$111	$1295
Graduate	124	1385
Law (degree)	124	1396
Law (non-degree)	138	

**Out-of-state student fees include a maintenance fee which is charged each student plus an additional $76.00 per hour or $879.00 maximum.*

Fees for auditing courses are assessed on the same basis as fees for credit courses. Courses offered between terms, for concentrated periods during a term, or at specific locations, may be subject to fees on a per-hour basis only.

Activity Fee

All students enrolled for one credit hour or more will pay a $1.00 Student Activity Fee. The amount is $1.00 regardless of the total number of hours for which the student is enrolled.

There is no activity fee during the summer terms.

Tuition

Students classified as out-of-state are charged an additional $76.00 per semester hour.

The Office of Admissions and Records is charged with the responsibility of assigning a residency classification to each student using regulations provided by the Board of Regents. The student may appeal the decision to the Committee on Residency. Residency regulations of the Board of Regents and information on appeals procedures are available in the Office of Admissions and Records.

RESIDENCY CLASSIFICATION MAY BE CHANGED ONLY BY THE RESIDENCY ADVISER, OFFICE OF ADMISSIONS AND RECORDS.

University College Fees
In addition to their $5.00 application fee, students who apply to the University College must pay a screening fee of $15.00, which is non-refundable. If accepted into the University College, the student must pay a non-refundable contract-advising fee of $25.00.

Students who apply for credit for experiential learning will pay a non-refundable portfolio assessment fee of $45.00. After the portfolio has been evaluated and credit assigned, the student will pay $15.00 per credit hour for each hour in excess of three for which credit is awarded. For students enrolled under a group contract, a maximum fee of $90.00 will be assessed for credits assigned under the terms of the contract.

Courses in Applied Music
The fee of applied music is $30.00 per semester for each one-half hour lesson.

Music Locker Deposit
Music students are required to have a locker for storage of University-owned musical instruments or equipment. Personal instruments may also be stored in lockers. A deposit of $3.00 for one semester or $4.00 for two semesters is required on each locker issued. This deposit, less a service charge of $1.50 per semester, will be refunded upon return of the lock. Students will be expected to pay for any damages.

Automobile Registration
Each person who expects to operate and park any motor vehicle on the campus must pay $5.00 for an official permit, valid from September through August, and register the vehicle in the Security Office, Room 151, Administration Building. A reduced fee of $4.00 is charged for vehicle registrations after January 1, and $2.00 after May 1. Proof of ownership must be presented when registering the vehicle. Residence hall occupants should ask for a special resident decal when registering their automobiles.

ROTC Deposit
A uniform deposit of $10.00 is required of each student who enrolls in the Army and Air Force ROTC program. The uniform deposit, less charges for uniform loss or damage, will be refunded at the end of the academic year or at the beginning of a semester in which the student is not enrolled in the ROTC program.

Laboratory Deposits
Certain courses in chemistry require breakage deposits from $10.00 to $20.00 per semester, depending upon the course. Any unused portion of these deposits will be refunded.

Physical Education Locker and Towel Fee
Students enrolled in physical education courses must pay a fee of $4.00 for the locker and towel issued them. Students must provide their own lock.

Late Registration
Students who do not complete registration (including the payment of fees) during the official registration period will be charged $10.00 for any late registration following the official registration period.

Adding and Dropping Courses
A fee of $5.00 will be charged for each change-of-course form processed, regardless of the number of course or section changes included on the form.

Transcripts
There is no fee for transcripts. However, the student will be charged $1.00 for each official transcript over the maximum of five (5) per request. Transcripts are issued only at the request of the student in person or by letter. No transcript will be provided for a student who has any unfulfilled obligation to the University.

Diploma Fee
Each candidate for a degree from Memphis State University pays a $25.00 fee to cover cost of the diploma, rental of cap and gown, and incidentals connected with the commencement exercises. This fee must be paid thirty days before graduation.

The listing of these fees in this publication does not constitute a contract between the University and the student. As a condition of registration, each student will pay the fees in effect at the time he or she registers. Fees are subject to change without notice. Persons 60 years of age and totally disabled persons should refer to the sections of this publication covering their registrations.

STUDENT FEE REFUND PROCEDURES

Maintenance Fees, Out-of-State Tuition, Music Fees
The following refund percentages apply to students who withdraw from the University or who drop to an hourly load below full-time.

1. 100% Refund: A full (100%) refund of fees will be made for courses cancelled by the University.
2. 75% Refund: The University provides a 75% refund of enrollment fees beginning at the moment of registration and extending for a period of time as noted in the term calendar for the semester.
3. 25% Refund: A 25% refund of enrollment fees is provided after the expiration of the 75% refund and concludes as noted in the calendar for each semester.
4. 100% refund in case of death.

If a student withdraws during the 75% period, all of the student activity fee is refundable. There is no refund of the student activity fee after this period.

The University refund policy is based entirely upon the official date of the withdrawal or change of course which would result in a refund. Refunds beyond the specified date or percentage cannot be made for reasons such as employment conflicts, health or medical problems, moving out of town, or other reasons which are beyond the University's control or responsibility.

Note on the semester calendar in the *Schedule of Classes* that the refund period ends **earlier** than the final deadline for dropping a course or withdrawal.

Refunds will be processed beginning approximately two weeks after classes begin and usually should be completed six weeks after classes begin.

Appeal Procedures for Fees and Refunds
A student may appeal the assessment, application, calculation or interpretation of any University fee, charge, deposit, or refund, or any University action connected with fees and charges. Questions should generally be discussed with personnel in the Bursar's Office. If a student is not satisfied with the resolution made by the Bursar's Office, a written appeal, on forms available in the Bursar's Office, can be made to the Director of Finance; his determination may be appealed to the Vice President of Business and Finance; and his determination may be appealed to the President of the University. Traffic fines are subject to a separate appeal procedure.

Credit by Examination or Placement Examination
The fee for taking credit by examination is a non-refundable fee of $45.00, which must be paid prior to the examination. An additional $15.00 will be charged for each hour in excess of three for which credit is awarded. A fee of $15.00 per credit hour will be charged when an application for credit is made under the credit by Placement Examination policy.

(5) CHANGING ENROLLMENT STATUS

CHANGE-OF-COURSE APPLICATIONS "ADD-DROPS" WILL BE PROCESSED **ONLY** AFTER THE REGULAR DATES OF REGISTRATION, COMMENCING ON THE FIRST DAY OF LATE REGISTRATION.

Change of Course
After a student's registration is complete, he may change his class schedule by adding and/or dropping courses. APPLICATION FOR PERMISSION TO ADD OR DROP COURSES BEGINS WITH THE ACADEMIC ADVISER. Time limits for add/drop are outlined in the semester calendar. A fee will be charged for each change-of-course transaction before it is processed. ***There is no charge for a change made as a result of the University cancelling a course.***

Permission to add or drop a course after the deadlines shown in the calendar must be approved by the appropriate college dean.

Students enrolled in one course who wish to drop must withdraw from the University.

Schedule conflicts — Each student is responsible for preventing conflicts in the scheduling of his classes. *Students should check each class card which they are issued to insure that the course and section numbers, time and credit agree with what they requested.* Students will be assessed a "change-of-course" fee if it is necessary to make changes because of a scheduling conflict or because of having the wrong class card. Students should be careful to check the schedule for course offerings that might have been changed. Up-to-date information may be obtained during registration.

The University does not guarantee that the instructor listed in the Schedule of Classes will be the one to teach the course, and no fees will be waived accordingly.

University policy prohibits the waiving of the change fee when a course section has been closed and later reopened. *The University reserves the right to cancel courses or sections or to combine sections.*

Withdrawal Procedures

Students may withdraw from the University by contacting the appropriate University official. ID's must be turned in to be invalidated.

(1) Undergraduate Students—the Center for Student Development, Room 120, Scates Hall
(2) Evening/Saturday Students—the Dean, Evening Academic Services, Room 167, Administration Building
(3) Graduate Students—the Dean of Graduate Studies, Room 315, Administration Building

Time limits for withdrawals are stated in the Semester Calendar.

Change of College or Major

Undergraduate students in the Colleges of Arts and Sciences, Business Administration, Communication and Fine Arts, Education, Engineering, and the University College may change their college or major by completing an application at the designated office of the college for the new major. These offices are as follows:

Arts & Sciences
Dean's Office — MI 219
Business Administration
College Adviser — BB 357
Communication & Fine Arts
Dean's Office — CFA 234
Education
College Adviser — ED 211
Engineering
College Adviser — EN 259
University College
Dean's Office — JN G-1

Graduate students may change their major by making application in the Office of the Dean of Graduate Studies, Room 315, Administration Building.

Students may change adviser by making application to the college in which they are currently enrolled.

Change of Name, Address, or Social Security Number

It is imperative that the student keep his/her name and address current on University records. Opportunity for changing addresses is provided on the "Student Information Form" in the registration packet. In order to change social security number or name, the student must come to Room 119, Records Office, Administration Building. Students who move should leave a forwarding address with the post office so that all University mail will reach them at their new address.

IMPORTANT: All changes should be made early in the term to insure their processing before the next semester.

GRADE REPORTS

A grade report showing the grade received, credit hours earned, and quality points earned, are mailed to the permanent address of each student at the end of the semester. The grade report will show cumulative hours attempted, hours earned, and grade point average.

Withholding of Grade Reports

The University is required by State law to withhold grade reports, transcripts, and diplomas from students who have outstanding financial obligations to the University. Previous semester grades which were withheld may be obtained (with the proper release card and identification) in the Packet Center or Late Registration Center, when these are open, and in the Records Office thereafter.

THE RECORDS OFFICE WILL NOT RELEASE ANY GRADE EXCEPT BY THE OFFICIAL COPY SENT BY MAIL. TO PROTECT THE CONFIDENTIAL NATURE OF THE STUDENT'S RECORD, NO GRADES WILL BE RELEASED BY TELEPHONE.

ACADEMIC STATUS AND RETENTION

Official notification of academic status is by means of the grade report processed to each student at the end of the regular semester. A complete statement of the policy regarding academic status and retention may be found in the University *Bulletin*.

Specific questions concerning academic retention/suspension should be directed to the Evening Academic Services Office, Room 167, Administration Building, between the hours of 12:00 Noon-8:00 p.m. Monday through Thursday, and 8:30 a.m.-12.00 Noon on Saturdays.

PRIVACY RIGHTS OF PARENTS & STUDENTS

NOTICE TO STUDENTS

The Family Educational Rights and Privacy Act of 1974, with which the University intends to comply fully, is designed to protect the privacy of education records, to establish the right of students to inspect and review their education records, and to provide guidelines for the correction of inaccurate or misleading data through informal and formal hearings. Students also have the right to file complaints with The Family Educational Rights and Privacy Act Office (FERPA) concerning alleged failures by the institution to comply with the Act.

Provisions for the release of information about students and the rights of students and others to have access to Memphis State University education records are as follows:

A. Release of Personally Identifiable Student **Education Records**.
Memphis State University shall not permit access to or release of any information in the **Education Records** which is specifically identifiable as referring to any student, other than Directory Information, without the written consent of the student to any party other than the following
1. MSU officials and staff who have legitimate educational interests, including academic excellence, honor societies, and fraternities and sororities. Written requests from such officials or organizations shall be sent to the Records Office, and proper identification will be required.
2. Officials of other schools in which the student seeks admission, if the student has executed a release form to that institution. (At a later date a request for academic information from another institution of learning indicating the reason will be honored as a matter of inter-institutional courtesy.)
3. Appropriate persons in connection with a student's application for or receipt of financial aid.
4. Federal or State officials as defined in the regulations concerning this law.
5. State and local officials authorized by State statute adopted prior to November 19, 1974.
6. Organizations conducting studies for, or on behalf of, Memphis State University for the purpose of assisting in accomplishing the University's stated goals, and when such information will be used only by such organizations and subsequently destroyed when no

longer needed for the intended purpose. The Dean of Admissions and Records or his designate must approve requests of this nature.

7. Accrediting organizations to carry out their functions.
8. Parents of a dependent student as defined in section 152 of the Internal Revenue Code of 1954. (Note: Husband or wife cannot get records of his/her spouse regardless of dependency.)
9. In compliance with judicial order or subpoena after the University has made a reasonable effort to notify the student.
10. Appropriate persons in connection with an emergency if such knowledge is necessary to protect the health or safety of a student or other persons. Verification of the conditions involved will be fully documented.

Note: All individuals and agencies who have requested or obtained access to a student's record (except as stated in A 1-7) will be noted in a record which is kept with each student's closed file. A request must be in writing stating the purpose of the request. This record will also indicate specifically the legitimate interest that the person or agency had in obtaining the information, and the information made available will be limited to that necessary to satisfy such demonstrable needs.

B. Definitions:

— **Educational Records.** "Educational Records" is defined as those records, files, documents, and other material which (1) contain information directly related to a student; and (2) are maintained by Memphis State University or by a person acting for the University. They do not include: (1) personal notes; (2) records available only to law enforcement personnel; (3) employment records; (4) medical, psychological, and psychiatric records (these are accessible to the student's physician); (5) and records containing only information relating to a person after that person is no longer a student at the University. An example would be a record of accomplishments of an alumnus of the University.

— **Student.** A student is any person who is or has been enrolled at Memphis State University. Wherever "student" is used in reference to personal rights, an eligible parent of a dependent student has similar rights. This "eligible" parent is one who has satisfied Section 152 of the Internal Revenue Code of 1954, and who presents proof of such to the custodian. Normally, this will be notarized affirmation by the parent declaring that the student is a dependent for Federal Income Tax purposes.

— **Directory Information.** "Directory Information" is defined as: The student's name, address, telephone listing, date and place of birth, major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees and awards received, the most recent previous education agency or institution attended by the student, the student's full- or part-time status, and the student level. At the time a student registers for courses, the student may personally deliver to the Records Office a written request that directory information for that student may not be released. This notification is effective only for the one semester for which the student is then registering. Such information will then be withheld if the request is received within 14 days after the beginning of classes.

— **Access.** To have access to an "Educational Record" is to be allowed to see the original record. It implies the right to obtain copies of that record.

— **School Officials.** School officials are those University employees with general or specific responsibility for promoting the educational objectives of the University.
Employees whose responsibilities place them within this category include: teachers; faculty advisors; admissions counselors; academic advisors; therapeutic counselors and vocational counselors; degree analysts; employment placement personnel; deans, department chairmen, directors, and other administrative officials responsible for some part of the academic enterprise or one of the supporting activities; administrative and faculty sponsors of officially recognized clubs, organizations, etc.; members, including student members, of committees appointed by the President; and clerical personnel employed to assist University officials in discharging professional responsibilities. Access by these officials is restricted where practical only to students for whom they have professional responsibility and only to that portion of the student record necessary for the discharge of assigned duties.

— **Legitimate Educational Interests.** Legitimate educational interests are defined as those interests which are essential to the general process of higher education prescribed by various legislative acts and the body of policy adopted by the governing board. Legitimate educational interests would include teaching, research, public service, and such directly supportive activities as academic advising, general counseling, therapeutic counseling, discipline, vocational counseling and job placement, financial assistance and advisement, medical services, and academic assistance activities. In addition, the University officially recognizes appropriate co-curricular activities which are generally supportive of overall goals of the institution and contribute generally to the well-being of the entire student body and specifically to many individuals who participate in these activities. These activities include varsity and intramural sports, social fraternities and sororities, honorary and academic fraternities and sororities, departmental clubs, professional fraternities, special interest clubs, and student government.

C. Procedure for Gaining Access to **Educational Records.**

— To gain access, the student must request the custodian to allow him to peruse the "Educational Record," which request will be granted within a reasonable period of time. The student may ask for an explanation and/or copy of his "Educational Record." Examination will be permitted under conditions which will prevent alteration or mutilation of the record. A student must present proper identification upon request. Documents submitted by or for the student in support of his application for admission or for transfer credit will not be returned to the student nor sent elsewhere.

— If the student believes the "Record" content to be inaccurate, he may submit a request for amendment of his record. Normally such matters will be satisfactorily settled in the course of informal discussion with the student. When this is not the case, the request and the challenge must be presented in writing to the record custodian who will inform the student of his decision within 45 days and of his right to a hearing. The student may then submit a written request for a hearing to the Dean of Admissions and Records who will (1) appoint an Appeals Committee consisting of four "Record" custodians (none of whom is custodian of the "Record" in question), with one of the four designated as chairman, and (2) designate a time and place for the first meeting and inform the student of the same.

— The Appeals Committee will convene with the student within 45 days from the date of the request, allowing the student, or his parents if the student is a dependent, to present relevant evidence. The student may be assisted or represented by counsel of his choice and at his own expense. A written decision based solely upon evidence presented at the hearing will be given the student within 45 days after the conclusion of the hearing, including a summary of the evidence and reasons for the decision and notification of his right to place a statement in the "Educational Record." Thereupon, the student may submit to the Committee a written explanation to be inserted into the "Record."

Note: This procedure does not provide for a hearing to contest an academic grade.

D. Right of Access Does Not Include:

1. Financial records of parents or any information therein.
2. Confidential letters and statements of recommendation which were placed in the "Educational Records" prior to January 1, 1975.
3. "Records" to which access has been waived by a student.

E. No University office receiving student information shall, and all agencies receiving student information will be advised not to, release the information to another party without the written consent of the student.

F. The University retains all rights to the student's academic record and may withhold transcripts of the record because of unfulfilled obligations to the University.

G. Eligible students and parents have the right to file a complaint with the Department of Education concerning an alleged failure by the University to comply with the "Privacy Rights of Parents and Students" Act. Students may also file a complaint against the University in the office of the Dean of Admissions and Records. A copy of the Act may be read in the offices of the Associate Dean of Admissions and Records (Records), the Dean of Admissions and Records, or the University Council.

THE SALES PROS AT FOOT LOCKER. EXPERTS EVEN THE EXPERTS LOOK UP TO.

"When I play basketball I know the right shoes to put on my feet. But now I'm into other sports, too. So I came to Foot Locker because only Foot Locker has all the top name sport shoes for most every sport in all styles and sizes.

"What I found out is that the Foot Locker salesmen—the guys in the striped shirts—know sports and sports shoes like I know basketball and basketball shoes. And that's saying something. Real pros, those guys!"

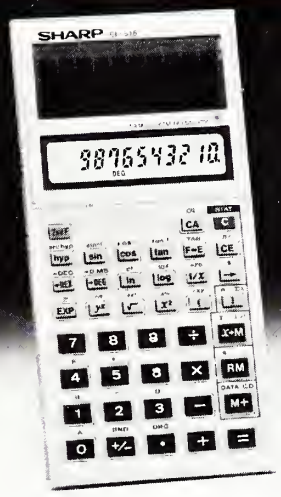
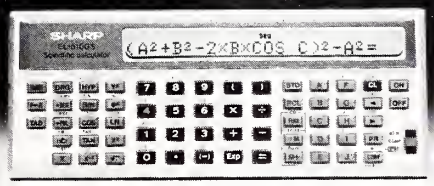
ANOTHER TECHNOLOGICAL ADVANCE FROM SHARP.

EVERY STUDENT BODY WANTS A SHARP MIND.

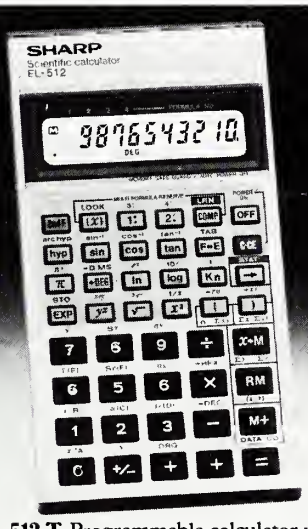


EL-515 T. Solar powered. Never needs batteries. With 50 scientific and statistical functions. 10-digit display. With wallet.

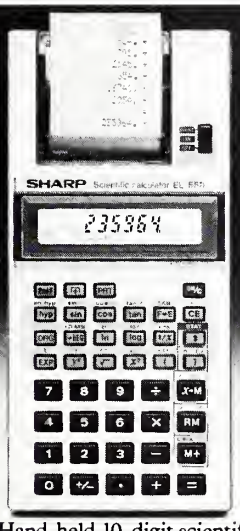


EL-5100 ST. Full-formula display. Stores up to 80 program steps. 10 data memories with memory retention. And 24-digit dot matrix alphanumeric display. With wallet.

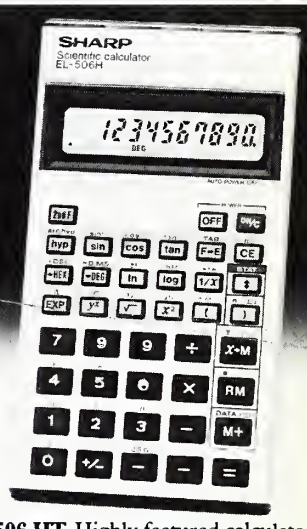
EL-510 T. Solar powered. Batteries never required. With 35 scientific and statistical functions. 8-digit display. Wallet included.



EL-512 T. Programmable calculator with 61 scientific functions. Stores up to 128 program steps. With wallet.



EL-550. Hand-held 10-digit scientific calculator/printer. 46 scientific functions. Complete with wallet and paper rolls.



EL-506 HT. Highly featured calculator with 48 scientific and statistical functions. 10-digit LCD readout. With wallet.

It's no wonder today's student body is Sharp-minded. Because Sharp offers you a wide range of scientific calculators that fit every student need. And every student budget.

There are economical Sharp scientifics with 25 functions. And others with as many as 61. There are Sharp solar-powered calculators that never need batteries. And Sharp pocket-printers that keep records. Plus a Sharp scientific with full-formula display.

This year, Sharp adds still another unique feature to its line of scientific calculators: The Sharp "Applications Textbook." It's an easy-to-understand instruction manual that keeps student and calculator in top form. Student body. Sharp mind. Look out world.

See beyond the ordinary.

The Canon A-1 is no ordinary camera. It is a creative tool. Conceived as the ultimate in automatic SLR's, the A-1 is unsurpassed in providing exposure control options. There are six, to be precise, allowing you to select the one best suited to your subject. Choose a shutter speed to control and interpret action. Select a lens opening and blur away a background.

In the programmed mode, the A-1 makes both of these decisions for you so you can really concentrate on your subject. You just focus, compose and shoot.

And create. A bright digital display in the viewfinder shows the speed and aperture being selected in any automatic mode.

The A-1 provides the versatility to match your imagination. Add any of over fifty Canon FD lenses. A Canon Speedlite for automatic flash. You can shoot at up to five frames-per-second with the optional Motor Drive MA. But most important, the A-1 does everything automatically. Freeing you to shoot a special subject in your own special way, and make a picture that nobody else saw.

The Canon A-1. It's half of what you need to turn photography into fine art.

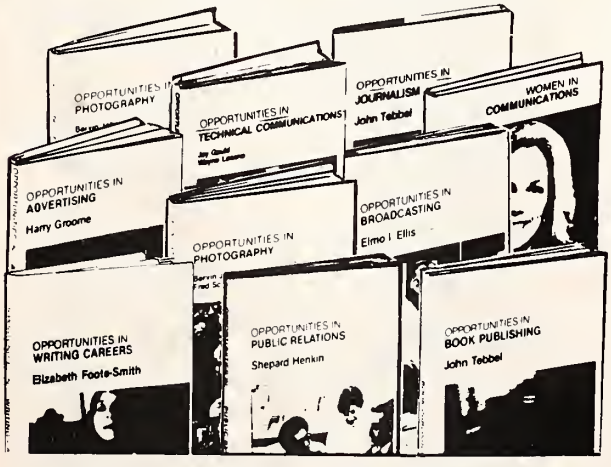
VGM Career Books

To Help You Find a Job

BUSINESS

For the business major, choosing the right career means checking out many attractive options. To help you focus on the best career for you, our editors have selected career areas especially promising for business majors. Each book tells you what you need to know about jobs, education, salaries, how and where to get started, and your potential in the field.

COMMUNICATION



Selecting the right career can be confusing and difficult, especially when you don't have a technical or business degree. To help you get on target, our editors have selected these careers for you. Each book is authored by a pro who gives you the inside story on jobs, education, salaries, how and where to get started.

HOW MUCH IS TOO MUCH TO DRINK IF YOU'RE DRIVING?

USING THIS CHART MAY HELP YOU KNOW YOUR LIMIT.

First, you should understand that drinking any amount of alcohol can impair your ability to drive.

The generally accepted way to measure intoxication is by your Blood Alcohol Concentration (BAC). In most areas, the legal definition of intoxication is .10 percent BAC and above. However, long before you reach .10 BAC, your judgment and motor skills deteriorate rapidly. In fact, some states include the definition of impaired driving ability, which usually begins at .05 percent.

Important factors to keep in mind are how much you've drunk in a given period of time, how much you weigh and whether you've been eating. Your age, individual metabolism and experience with drinking are also factors. However, it simply is not true that beer or wine is less likely to make you drunk than so-called "hard" drinks. A 6-ounce glass of wine, a 12-ounce can of beer or 1½ ounces of 86-proof whiskey have about the same amount of alcohol and will have about the same effect on you.

How to estimate your Blood Alcohol Concentration. Although the effects of alcohol vary a great deal, the average effects are shown in the accompanying chart prepared by the National Highway Traffic Safety Administration. Find your weight in the left-hand column and then refer to the number of drinks you have had or intend to have over a two-hour period. For example, if you weigh 160 pounds and have had four beers over the first two hours you're drinking, your Blood Alcohol Concentration would be dangerously beyond .05 percent, and your driving ability would be seriously impaired—a dangerous driving situation. Six beers in the same period would give you a BAC of over .10 percent—the level generally accepted as proof of intoxication.

It is easier to get drunk than it is to get sober. The effects of drinking do taper off as the alcohol passes through your body, but the drop is slow. In the example above, the person who had six beers would still have significant traces of alcohol in his blood six hours later.

Even if you're not drinking, other drivers may be. Your best protection is still the seat belts in your car. Accidents do happen, and wearing lap and shoulder belts doubles your chances of coming through one alive.

Source: NHTSA

The chart shows average responses. Younger people generally become impaired sooner, while older people have more vision problems at night. Tests show a wide range of responses even for people of the same age and weight. For some people, one drink may be too many.

Having a full stomach will postpone somewhat the effects of alcohol, but it will not keep you from becoming drunk.

Black coffee, cold showers, or walking around outdoors will do nothing to make you sober. Of course, someone who claims, "I'll be okay as soon as I get behind the wheel," may be making a fatal misjudgment.

At General Motors, we have developed a device which tests a driver's reflexes and motor responses before it allows the car to start. The Department of Transportation is now testing it in California as a deterrent to repeat offenders. Today, you, the driver, have to know your limits and when you've gone beyond them. If you have any doubts, don't drive.

MAKE $12,200 FOR COLLEGE WHILE YOU'RE GOING TO COLLEGE.

Want a part-time job that doesn't hurt your grades? Or campus life? Give your local Army Reserve unit a weekend a month and a couple of summers during college, and they'll give you over $12,200 for college.

Up to $4,000 in college aid is yours just for joining most units. Another $6,000 for four years of monthly weekends and two-week summer stints. Plus over $2,200 that you'll earn during two summer training periods. All while you're getting the most out of college. And doing the most you can part-time for your country.

You don't have to wait for college to join the Army Reserve. If you're 17 or older and a junior or senior in high school, join us now! There's no better part-time job in town.

Interested? Call your local Army Reserve recruiter. For the number, call toll free 800-421-4422. In California, 800-252-0011. In Alaska or Hawaii, 800-423-2244.

SPORTSPORTSPORTS

Step ahead of your time to a Panasonic portable stereo system that actually shapes the sound for the space you're in.

The big "plus" in this Panasonic Platinum Plus™ portable is a built-in 5-band graphic equalizer that lets you be your own audio engineer. Brighten up a passage here. Heavy up the bass there. Create the sound to suit the space.

Whether that space is your own living room or the great outdoors, Platinum Plus sounds right at home. It's a compact AM/FM stereo cassette recorder with amazingly powerful 2-way speakers. They simply detach from the main unit for maximum sound separation.

All of this sound is controlled by an incredible array of audio technology including soft-touch controls, metal tape capability, 5-LED meter system, automatic tape stop and much more.

Whether you choose the RX-C45 (shown) or one of four other models, Platinum Plus can take you and your music to a place you've never been.

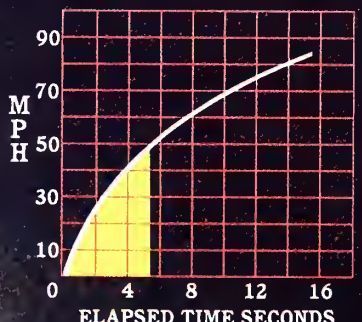
Panasonic®
just slightly ahead of our time.

DODGE SHELBY CHARGER

Beneath the shimmering Santa Fe blue acrylic and subtle silver graphic trim, there's an awesome amount of racing-bred fine tuning that puts this Dodge Shelby Charger on a higher plateau than most performance iron.

$8290*

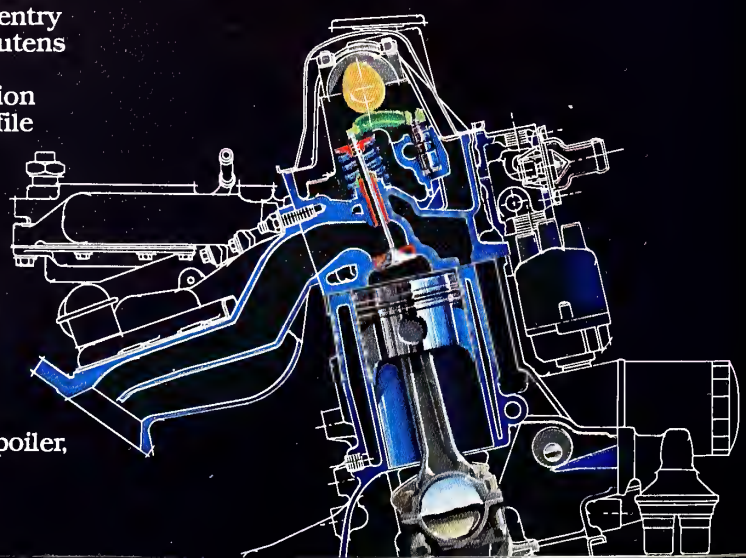
For a remarkably reasonable $8290, you get a beautifully balanced machine. The specially tweaked 2.2 liter, 4-cylinder OHC engine produces 107 hp at 5600 rpm.

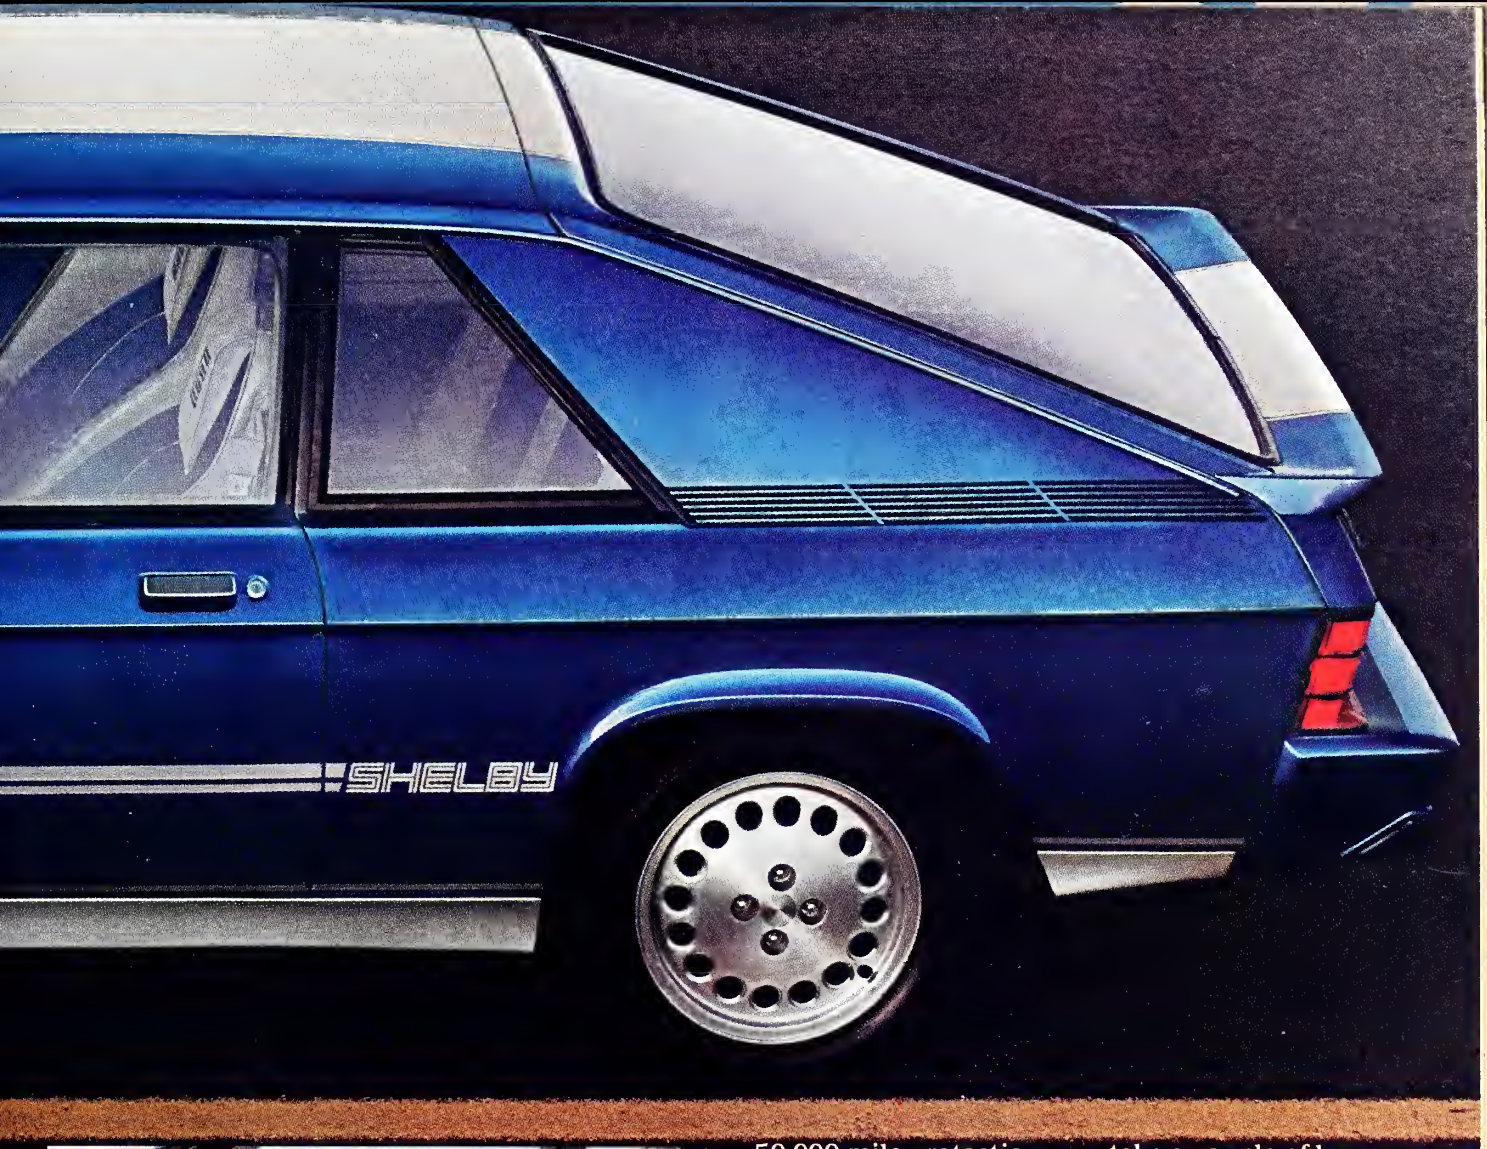


And 127 ft. lb. torque at 3600 rpm. A new 5-speed transaxle blends with an overall top gear ratio of 2.78 to produce zero-to-50 mph times of 5.5 seconds.**

Quick as a quarter horse, but agile as a cutting pony. Because Carroll Shelby doesn't put his brand on a machine that doesn't corner and brake as well as it moves out. Special componentry lowers the car and tautens an already superbly responsive suspension system. New low-profile 15-inch, 50-series tires are a part of the deal. Higher rate springs are matched to higher capacity brakes for startling all around road-course, skid-pad, and slalom capability. Ground-effect skirts, a new, unique air dam and spoiler,

IT AIN'T JUST PAINT.





and quicker responding steering lets you handle the whole package in a most satisfying way.

40 EST. HWY. **25** EPA EST. MPG***

But we at Dodge demur at undisciplined performance. That's why this Shelby, like all Dodge machinery, will produce responsible fuel usage: 40 est. hwy. 25 EPA est. mpg.

5/50 PROTECTION PLAN†

Furthermore, we flat reject the notion that performance machinery is by its very nature unreliable. Which is precisely the reason we're comfortable enough with any Dodge to extend our 5 year/50,000 mile protection plan umbrella to the Shelby Charger. See your dealer for details about this unique coverage.

Remember, "It ain't just paint." And, in the Texas hill country vernacular of former 3-time SCCA national driving champion and LeMans winner, Carroll Shelby, "There's no hitch in this thing's git-a-long."

Get along, yourself, to your local Dodge dealer and buy or lease† a Shelby Charger. Buckle up and take a couple of laps around the showroom block. When you're through, we think you'll be trembling like a roped yearling.

*1983 sticker price excludes taxes and destination charges.
**Based on acceleration tests performed by NHRA on vehicle with standard engine and transmission.
***Use EPA est. mpg. for comparison. Your mileage may vary depending on speed, weather and trip length. Actual hwy. mileage probably lower.
†Excludes leases. 5 years/50,000 miles, whichever comes first. Limited warranty on outer body rust-through, engine and powertrain. Deductible may be required.

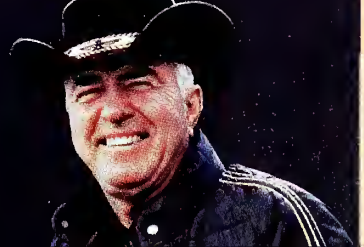
AMERICA'S DRIVING MACHINES

Carroll Shelby



Now Technics stops distortion before it starts. Introducing Computer-Drive Receivers.

The conventional stereo receiver isn't capable of reducing amplifier distortion before it occurs. Before distortion has become part of your music.

The Technics New Class A™ receivers take a more logical approach. With Computer-Drive. This means Technics receivers have a built-in computer in the amplifier section. To give them the intelligence and sophistication to analyze and adjust the internal operating conditions that can cause distortion. Before they cause distortion. So whatever you listen to takes on a clarity that is nothing short of breathtaking.

Technics computer technology is applied to other critical receiver functions, too. Tuning is accomplished with a microprocessor-controlled, quartz synthesis system. The most accurate tuning system in the world. For the kind of locked-in reception only quartz synthesis can deliver.

There's also Random Access Preset Tuning with auto-memory. It stores up to 16 of your favorite FM or AM stations. And any of these stations can be retrieved and tuned in any sequence at the touch of a button.

And even beyond all of these features and technological achievements, Technics offers more: the future. Because each Technics Computer-Drive receiver is ready for digital. They will be able to reproduce the flawless sound of digital sources soon to come.

Technics Computer-Drive New Class A Receivers. For today, for tomorrow. Hear them for yourself.

Planes don't guard America's skies.

People do.

The people and planes of the Air National Guard stand ready, 24 hours a day, seven days a week, to Guard America's skies. It's a job that's growing in importance and complexity every day. A job that demands first-rate technology. And most importantly, first-rate people. People like you.

To find out more about the challenges and opportunities waiting for you in the Air National Guard, fill out and mail the coupon below. Or call toll-free 800-638-0936.* Because planes don't Guard America's skies. People like you do.

*In Alaska, Hawaii, New Jersey, Puerto Rico, Guam and the U.S. Virgin Islands, consult your local directory.

We Guard America's Skies.

CASIO NOW OFFERS STUDENT AID.

We at Casio figured you could use a little help this semester (not to mention a few extra bucks). So we're offering a $5 rebate on our FX-98 and FX-910 solar powered scientific calculators, which regularly sell for $29.95.

The FX-910 is a wallet sized unit with 48 scientific functions. The FX-98 is credit card size with 42 scientific functions.

Both feature an 8 digit mantissa with 2 digit exponent.

Both feature fractional calculations (a function not found on many comparable units). So now you can work with fractions without having to convert to decimals.

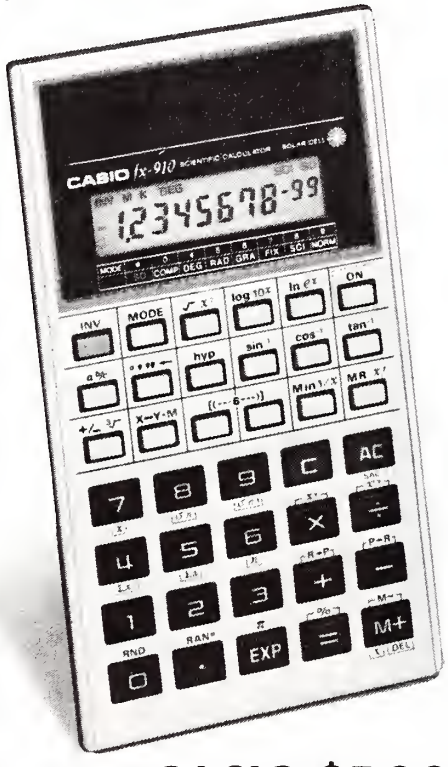
And since both units incorporate a powerful solar cell that can operate in very low light, they'll not only save you time and energy, they'll save you from ever having to buy batteries.

The FX-98 and FX-910 also come with a free application manual, "Strategies for Scientific Calculating," which will save you work by showing you shortcuts for using your calculator.

So if you think you could use a little student aid this semester, take advantage of our $5 rebate offer. And bring a Casio to class.

CASIO

Where miracles never cease



$5 CASIO $5.00 Rebate Certificate $5

VALID AUGUST 15—OCTOBER 15, 1983

Here's how to get your $5.00 rebate:

Purchase one or more of either an FX-910 or FX-98 Solar Scientific Calculator and send us for each calculator purchased:

1. Both box flap ends which indicate the model number of product purchased
2. The ORIGINAL dated sales receipt indicating purchase was made between August 15 and October 15, 1983
3. The warranty card
4. This properly completed coupon

BE SURE YOU INCLUDE ITEMS 1 THROUGH 4 FOR EACH CALCULATOR PURCHASED.

Mail all of the above items to: Caslo Scientific Rebate Program Box 1353 Unionville, CT 06085

TAKE A GRADUATE COURSE IN LEADERSHIP

If you have earned a Bachelor's Degree in technical fields like engineering, science, math and computers you've taken one giant step in building your future. But today, with our competitive job market, the person who has the edge is often the one with something extra. That something is leadership experience.

The 17-week Coast Guard Officer Candidate School (OCS) Program offers you the opportunity to receive post-graduate leadership training and be paid as you learn. Upon completing the course you'll put your training to immediate use with important leadership duties.

The Coast Guard is the smallest armed service with big global responsibilities. These include managing our coastal and inland waterways from Alaska to Puerto Rico; saving lives, protecting property and our maritime resources. As a leader you'll find the work rewarding, exciting and invaluable in priming yourself for success in the Coast Guard.

As the proud possessor of a Bachelor's Degree, a commission and leadership position you'll earn up to $18,000 for starters. And you can expect up to 40% in wage increases and promotions the first three years. When you consider the other benefits a Coast Guard officer receives, your compensation package is even more impressive:

- Free medical/dental care for service members
- Post-graduation studies often paid for
- Living quarters allowance
- Thirty days paid vacation per year
- Retirement after 20 years

Leaders are not born...they're made! Coast Guard OCS training can help you develop the confidence, poise, maturity and problem solving abilities you'll need to take command in today's hi-tech world. To apply, mail the attached coupon or call

The Model 100 Portable Computer helps you be more resourceful with its timesaving and organizational capabilities! Simply turn on the Model 100 and you have instant access to five built-in programs (plus your own files). Personal word processing is easy with the full size keyboard and 8-line by 40-character display. Use the communications program and built-in modem to access other computers and information networks. In addition, Model 100 is a phone directory, address book, appointment calendar and telephone auto-dialer, and it contains a very powerful BASIC programming language. Take the Model 100 anywhere, too—it weighs under four pounds and operates on batteries or optional-extra AC adapter.

The PC-4 Pocket Computer is a real computer at a remarkably low price! It's more powerful and easier to program (uses BASIC language) than a programmable calculator, which makes it ideal for tough engineering, business and math problems. The expandable 544-character memory can even hold multiple programs. With the cassette interface and an optional cassette recorder, save and load your own programs and data, or print them out on the PC-4 printer.

Available Nationwide. See the TRS-80 Model 100 and PC-4 at the Radio Shack Computer Center or participating store or dealer near you.

OLYMPUS OM-G

It complements your creativity like no other SLR ever created.

The Olympus OM-G complements your creativity in a unique way. With a complement of capabilities never before available in any SLR. At any price.

It's the world's lightest SLR with the ruggedness to accept a blazing 5-FPS motor drive. So you can capture sudden moments of motion, or emotion, as never before.

It's the world's smallest SLR with aperture-priority versatility and OTF™ (Off-the-film) automation that actually fine-tunes your exposure during exposure.

It's the world's only SLR with incredibly-bright Lumi-Micron Matte focusing screen. So even in dim light, you focus and compose quickly. Confidently. Creatively.

Its built-in controls let you compensate auto-exposures, or move to manual at 11 shutter speeds. Always, brilliant viewfinder LEDS show the mode you're exploring.

They even show full charge and correct exposure with Olympus T-Series flash units. Which offer creative bounce, filtered, macro and off-camera capabilities.

Depth-of-field preview. Stepless shutter speeds from 1/1000 to over 2 seconds. Interchangeable Steady-Grips for handling ease and comfort. Metal-alloy precision.

Over 300 professional OM System lenses and components. For creative capabilities incomparable in an SLR so affordable.

The OM-G offers it all.

The Olympus OM-G. See it now at your Olympus dealer. (Or write Olympus, Woodbury, NY 11797. In Canada: W. Carsen Co. Ltd., Toronto.)

It's the best way to complement your creativity.

OLYMPUS.

$30 CASH REBATE ON OLYMPUS OM-G!

The camera that raises the standard of creativity now lowers the cost.

The Olympus OM-G raises the standard of creative photography in a unique way. With a complement of creative capabilities you'll find in no other SLR. At any price.

It's the world's smallest SLR with professional OTF™ automation that measures light right off-the-film.

It's the world's lightest SLR with the rugged precision to accept a 5-frames-per-second motor drive.

It's the world's only SLR with incredibly-bright Lumi-Micron Matte focusing screen. So even in dim light, you can compose and create quickly.

And it's compatible with over 300 OM System components.

So hurry to your dealer, make your best deal and buy your OM-G with Olympus lens from July 1 to Oct. 31, 1983. You'll get great pictures AND a $30 rebate direct from Olympus!

MINI COLLEGE PROGRAM

Martha Armstrong, Coordinator
Room 165 — Administration Building
Register in Mini College Office — August 15 – August 31

Move Into A New Identity (MINI) is a program for mature men and women who want to resume or begin their college education but are unable to attend classes under the regular schedule. The MINI College offers personal, individual handling of admissions and registration procedures and special classes and teachers to ease the trauma of becoming a college student. For more information, contact Mrs. Martha Armstrong at 454-2995.

NATIONAL UNIVERSITY CONSORTIUM
FOR TELECOMMUNICATIONS IN TEACHING

TELEVISION-ASSISTED DIRECTED STUDY COURSES

Memphis State University, in conjunction with WKNO-TV, offers television-assisted courses for adults working toward bachelor's degrees. These courses, designed by specialists in a variety of fields, are rigorous and challenging. They have been developed by the National University Consortium, of which MSU is a member, to serve the special need of adults who, because of work and family obligations, distance, or handicap choose not to attend on-campus classes. Persons in Memphis and the surrounding areas of Arkansas, Mississippi, and west Tennessee within the broadcast area of WKNO-TV may enroll.

Independent reading is a major component of each course. Students will be guided in their studies by a detailed week-by-weekly syllabus, interactive texts, supplementary readings, self-assessment exercise and written assignments. Half-hour television programs supplement the reading and will be broadcast bi-weekly on WKNO-TV and repeated on cable channel 33. Video tapes of the television programs will be available for viewing in the Learning Media center. Written assignments will be evaluated by a faculty member with whom the student may confer by phone or in person. Students may also attend optional discussion sessions.

Registration for these courses may be completed by mail; books may also be ordered by mail. The fee for both in-state and out-of-state students is $35 per credit hour. Contact the University College at 454-2716 for further information.

COURSES FOR FALL 1983

Social Psychology, PSYC 3106 and SOCI 3701, Sec. 521 — 6 semester hours. Instructors: Dr. Michael Lupfer and Dr. Joseph Ventimiglia.

This course surveys the field fo social psychology and explores major topics including: communication and language; attitudes; persuasion and coercion; social interactions; moral development; group dynamics; socializations; and the self concept. The goal of the course is to describe specific social processes that influence thought and motivate individual behavior.

Exploring Language, UNIV 1020, Communication II, Sec. 521 — 6 semester hours. Instructor: Ms. Linda Hearn.

An innovative approach to the study of language and writing. The course has a dual purpose: to teach the fundamentals of clear, concise writing by providing week-by-week instruction in organizing and writing essays, and to explore the social, psychological, and political implications of language.

Exploring Language, UNIV 1020, Communication II, Sec. 522 — 6 semester hours. Instructor: Staff.

This section is reserved for students enrolled in the nuclear studies program.

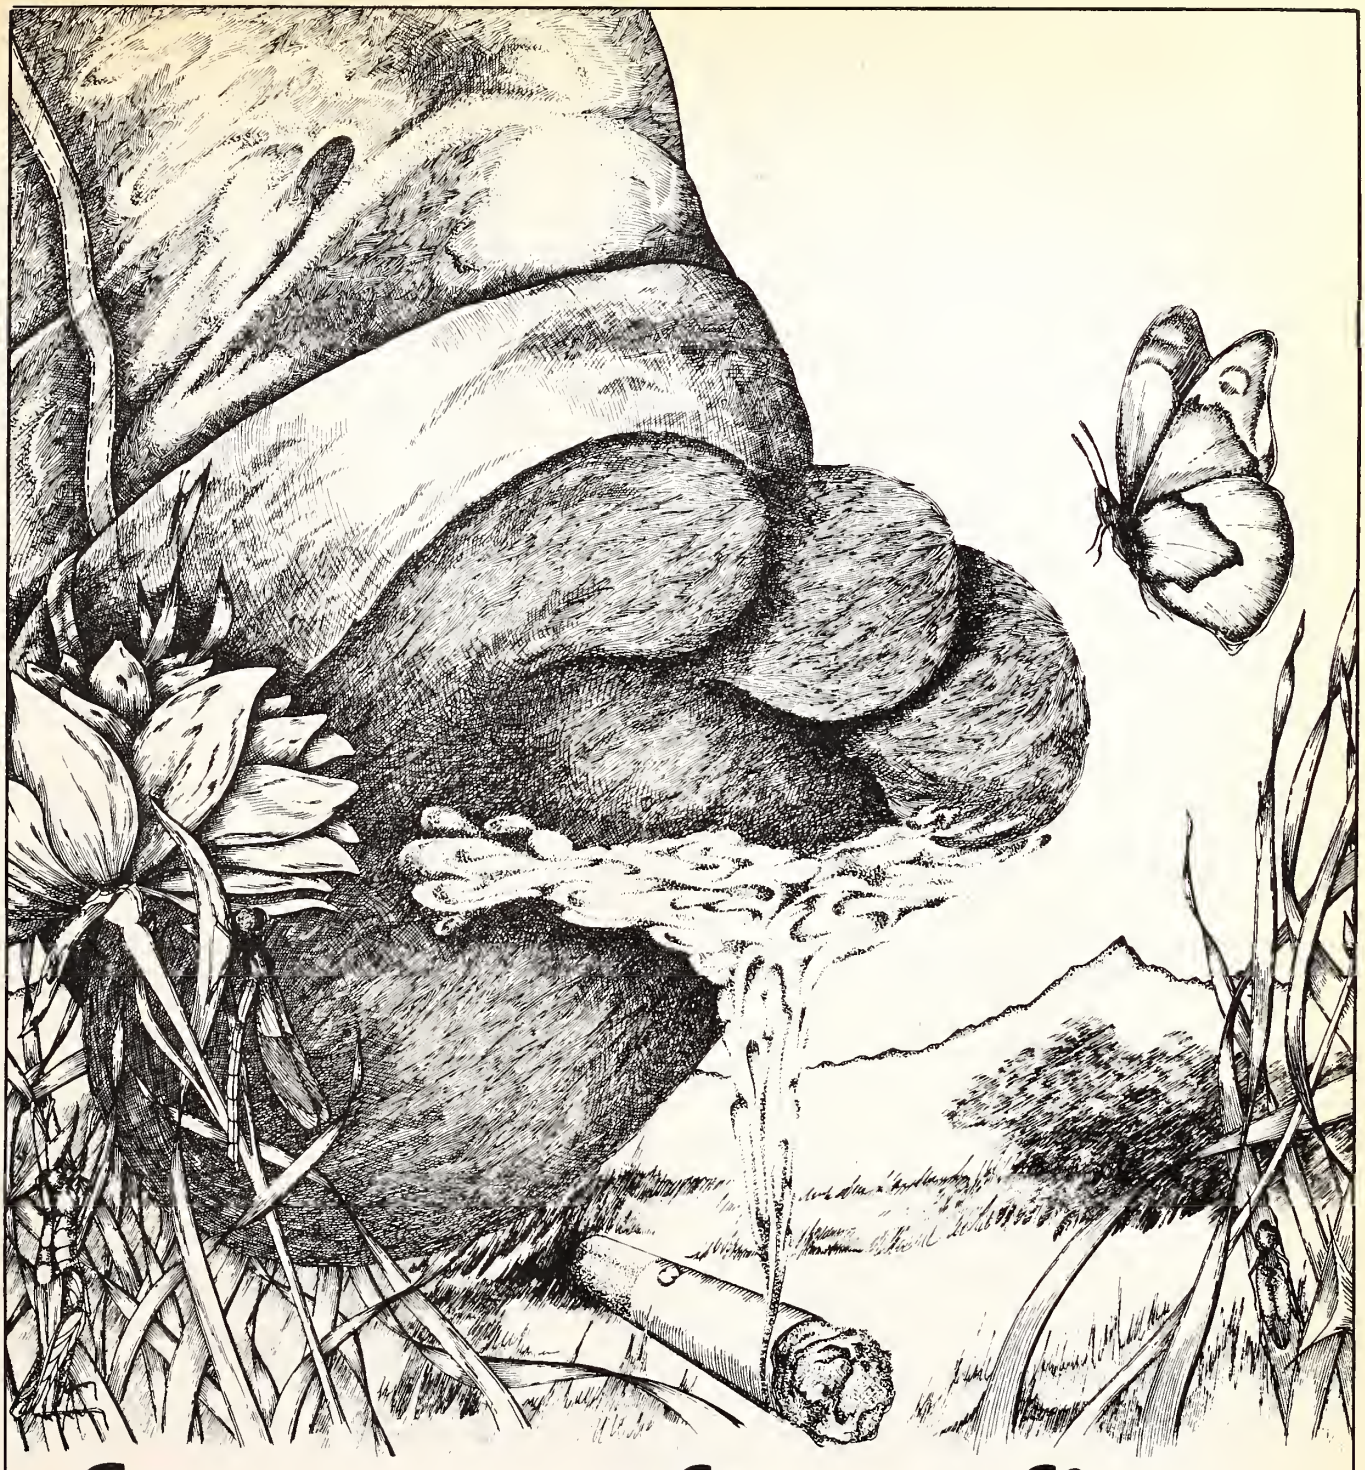
Course Description — See Addenda.



Stamp out forest fires.

It doesn't take much to start a forest fire. A cigarette ember nestled in some leaves. A match that's not completely cooled. Or a campfire cinder that has made its way into the brush. That's all it takes to destroy millions of acres, and thousands of living creatures.

It doesn't take much to prevent forest fires either. Making sure your cigarette or match is absolutely lifeless, and that your campfire has been doused with water, and covered with soil.

Carelessness with fire affects all of us who love the forest. And we think it's about time we all put our foot down.

ADDENDA TO THE CATALOGS

GRADUATE AND UNDERGRADUATE ISSUES 1983-1984
MEMPHIS, TENNESSEE JULY, 1983

The following courses were approved for inclusion in the offerings of the University after 1983-84 Catalog issue of the University *Bulletin* had been sent to the printer. Their publication here constitutes the official announcement of their addition to the University curriculum.

UNIVERSITY COLLEGE

UNIV 3509. TECHNOLOGY AND CHANGE. (6 credit hours)
This course will investigate the development of technology through time and analyze the connection or interrelationship between advanced development.

UNIV 3511. THEMATIC STUDIES. (6 credit hours) URBAN STUDIES.
A course on urban problems and their causes, an overview of the perspective and contributions of each of six participating disciplines which includes: urban anthropology, urban geography, urban history, urban economics, urban politics, and urban sociology. In addition, community leaders in the fields of city planning, housing, regional economic development, manpower and banking will present summary reviews of problems and proposed solutions in their respective fields.

UNIV 3514. THEMATIC STUDIES. (6 credit hours) COMPUTER LITERACY WITH APPLICATIONS.
This course is designed for the liberal arts major with a minimum prerequisite of a single college level course in mathematics. The course has two goals:

1. Enable the student to become comfortable with the hands-on use of modern, office type computing equipment. The student will become accustomed to utilizing the equipment both as a stand-alone computer and as a terminal, communicating with some of the major data banks and the University computer center.
2. Expand the student's mind and level of awareness in the best sense of the liberal arts tradition. This course is a broad survey of the full spectrum of computing in our modern society and is definitely not a science of mathematics course. The viewpoint of the course values the cultural, artistic, societal, organizational, and psychological aspects equally with the engineering, mathematical, theoretical, and scientific aspects.

UNIV 3517. THEMATIC STUDIES. (6 credit hours) ANCIENT GREECE.
This course is a study of Greek civilization from the end of the Persian War to the rise of Macedon, centering on Athens. This was the age when Athens developed direct democracy of the radical kind; whenher imperial ambitions over-reached themselves and she was beaten in a twenty-seven year war to make a remarkable recovery in the Second Athenian League. It was the age of the great historians, dramatists, orators, sculptors, and philosophers for which Greece is known. The aim of the course is to introduce students to this exciting age.

THE INDEPENDENT PROGRAMS
UNIVERSITY HONORS PROGRAM

UNHP 1100. THE HONORS FORUM. (1 credit hour)
A series of one-hour weekly lectures, demonstrations, performances, films, student presentations, and/or discussions designed to introduce students to the many disciplines, areas, and intellectual and cultural opportunities available in the University community. Credit/No Credit.

UNHP 3102. THE SOUTHERN EXPERIENCE. (3 credit hours)
An exploration of the nature and characteristics fo the South, concentrating on the area usually designated the Mid-South. The course will integrate material related to a number of areas, including literature, music, economics, and history, and will feature discussions, lectures, films, field trips, and guest speakers. Prerequisites: Junior standing and permission of the Director of the University Honors Program.

UNHP 4106. PICASSO, STEIN, AND STRAVINSKY. (3 credit hours)

Now You Can Copy Tapes in Half the Time With Radio Shack's Dubbing Deck (and do it for $60 less!)

Reduced $60.00. At $339.95, the Realistic® SCT-28 was a great deal. Now at $279.95, the convenience of a dual-cassette deck is even more affordable!

High-Speed Dubbing. Duplicate your tapes at twice the normal recording speed. You get professional sounding copies and you save time, too—no second deck or patch cords required.

Two Superb Decks in One. Deck-1 is designed for playback only, and features a special narrow-gap tape head. Deck-2 has full record/play capability and a wide-gap head for superior recording results. And both decks feature soft-touch controls for smooth, easy operation.

Continuous-Play Function. You can set the SCT-28 to automatically play two cassettes in sequence for up to two hours of uninterrupted music.

Auto-Search Music System. Deck-1 has ASMS to help you locate your favorite selections quickly. Each time you press the button the SCT-28 finds and plays the next or previous song automatically!

YOU CAN GO FOR IT ALL AT NSA

ELECTRICAL ENGINEERS

■ A wide variety of R & D projects which require Communications, Electronic and Computer Engineering graduates.

MATHEMATICIANS

■ Diverse Problem Solving in Communications Related Areas. Long Range Research and Evaluation of New Techniques.

COMPUTER SCIENTISTS

■ A variety of opportunities in Systems Analysis and Design, Programming, Data Base Management, Computer Networking/ Security and Graphics.

LANGUAGE MAJORS

■ Translation, Transcription and Analysis/Reporting for Slavic, Near Eastern and Asian Language Majors.

CO-OP PROGRAMS

■ NSA has an extensive CO-OP Program at the Undergraduate and Graduate levels for students in the disciplines listed above.
- Transportation Paid
- Housing Available

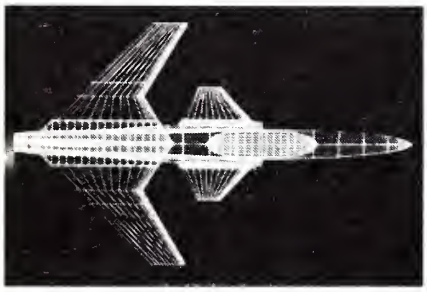
ENGINEERING TAKES ON EXCITING NEW DIMENSIONS IN THE AIR FORCE.



Computer-generated design for investigating structural strengths and weaknesses.

Developing and managing Air Force engineering projects could be the most important, exciting challenge of your life. The projects extend to virtually every engineering frontier.

5 CAREER FIELDS FOR ENGINEERS

Air Force electrical engineer studying aircraft electrical power supply system.

Engineering opportunities in the Air Force include these five career areas: aeronautical, architectural, astronautical, electrical and nuclear. Hundreds of diverse specialties are included in a wide variety of work settings. For example, an electrical engineer may work in aircraft design, space systems, power production, communications or research. An aeronautical engineer might be included in wind tunnel testing, designing cockpit displays and flight testing.

PROJECT RESPONSIBILITY COMES EARLY IN THE AIR FORCE

Air Force aeronautical engineers discuss flight characteristics of a fighter aircraft.

Most Air Force engineers have complete project responsibility early in their careers. For example, a first lieutenant directed work on a new airborne electronic system to pinpoint radiating targets. Another engineer tested the jet engines for advanced tanker and cargo aircraft.

OPPORTUNITIES IN THE NEW USAF SPACE COMMAND

Recently, the Air Force formed a new Space Command. Its role is to pull together space operations and research and development efforts, focusing on the unique technological needs of space systems. You may have an opportunity to join the team that operates superior space systems as the Air Force moves into the twenty-first century.

To learn more about how you can be part of the team, as an officer, see your Air Force recruiter or call our Engineer Hotline toll free 1-800-531-5826 (in Texas call 1-800-292-5366). There's no obligation.

AIR FORCE
A great place for engineers.

Before you work anywhere, take a look at the tools we work with.

NASA's space shuttle. For Air Force officers working as scientists and engineers, the challenge is just beginning. In fact, from laboratories to lasers to launch pads, we have exciting projects and management opportunities very few employers can offer.

For example, Air Force scientists are developing experiments that will be an important part of the space shuttle's cargo in the years to come. Experienced Air Force engineers will work as shuttle mission planners and as astronaut flight controllers.

If you have a technical degree with a science or math background, we may have a challenging future for you as an Air Force officer. It's a future that demands the vision and commitment of people like you. And it's vital to our country.

For more information about Air Force science and engineering opportunities, mail the card. Or call our toll-free Engineer Hotline 1-800-531-5826 (in Texas 1-800-292-5366). Better yet, send your resume to HRS/RSAANE, Randolph AFB, TX 78150. There's no obligation.

You could use a break. You spent so many hours at the library this week you were beginning to get your phone calls there. Now you're free, and ready to go. You've got your nifty Pontiac 1000 full of fuel. And you're about to fill this fun little Hatchback with your favorite friends and refreshments. The beach, the mountains—it really doesn't matter. All you want to do this weekend is hit the road... instead of the books.
